Connections Credit Union discussed the possibility of their Mobile Banking Unit to make scheduled stops in Swan Valley. They provided a PowerPoint highlighting the services CCU and the Mobile Unit has to offer. Their goal with the Mobile Unit is to provide accessibility and empowerment to those in rural and financially underserved communities. Swan Valley is on their list of communities, as they currently have established memberships who live closer to Swan Valley than Idaho Falls, allowing their members to process transactions without the need for travel.

Their goal at the City Council meeting is to receive permission from the City to operate in the town, and locate a potential parking space, which can be arranged with partnerships of local businesses.

The Mayor explained Ordinance 89 and explained they will need to work with a Local Business regarding the Parking.
